

# Progressive's Keys to Progress® Event Provides Cars to More than 100 Military Families

## Veterans Honored at 65 Events Throughout the Country on November 8th

MAYFIELD VILLAGE, Ohio, Nov. 1, 2018 /[PRNewswire](#)/ -- Sometimes, a reliable set of wheels is all that stands between a veteran and their dreams. This month, more than 100 veterans and their families will be getting keys to newly-refurbished vehicles as part of [Progressive's](#) sixth annual [Keys to Progress®](#) event. The vehicle giveaways will occur on November 8 at 65 locations across the country, including Progressive offices and authorized vehicle repair facilities.

In addition to the more than 100 veterans benefiting from Keys to Progress vehicles, these charities will also receive cars: Minnesota Assistance Council for Veterans (MN), Community Hope (NJ), Vets 4 Vets (Walnut creek, CA), Veterans Village (NV), and Hope Center (Baton Rouge, LA). The cars will help them extend their mission to help veterans.

Progressive works with local National Auto Body Council member body shops and other program supporters to put refurbished vehicles in the hands of deserving veterans.

Progressive's Keys to Progress program offers military families reliable transportation to get on the road and move forward in life. According to the [U.S. Department of Transportation](#), approximately forty percent of veterans live in rural areas where transportation options can be limited, meaning it's necessary for them to travel far to receive medical care, reach employment centers, and access other services they need.

For a 2017 recipient, receiving a vehicle didn't only impact her own life, it allowed her to help other veterans and their families:

"If it wasn't for Progressive, I wouldn't have been able to carry out my mission of volunteer work to the Veteran Community and their families," said, Emily Toro, Gold Star Mother and 2017 Keys to Progress recipient. "Since I was given this vehicle I have been able to travel throughout New York helping Gold Star families. I am forever grateful for the vehicle donation and it has inspired me to work even harder."

"We're so proud to be celebrating our sixth year of supporting veterans through our Keys to Progress program. This is just one of the ways we give back to those who gave so much," said Mike Sieger, Progressive Claims group president. "For many veterans, transportation to work, school, medical appointments or even social events can be a hardship and we recognize their need for reliable transportation so they can live the life they deserve."

Progressive teams up with several organizations to make the Keys to Progress program a reality:

- [National Auto Body Council](#) member body shops volunteer staff, resources and thousands of hours of collective time to repair the vehicles free-of-charge to veterans.
- [Enterprise Rent-A-Car](#) provides the first six months of insurance for each donated vehicle. Policies are written by Progressive.

- [Veracity Research Co. Investigations](#), a veteran-owned and operated organization, helps support the recipient selection process each year.
- The Original [1-800-Charity Cars](#), donates resources to facilitate titling and registration of vehicles for recipients.
- [Copart](#) and [Insurance Auto Auctions, Inc., a business unit of KAR Auction Services, Inc.](#), national salvage companies we work with, donate some of the vehicles.
- [Preferred Warranties Inc.](#), another KAR business unit, provides a Powertrain 12-Month Protection Plan for most donated vehicles
- [Pep Boys](#) provides a one-year routine maintenance package – including oil changes, wipers, tire rotation and more – for each donated vehicle, available through any of the nearly 1,000 Pep Boys service locations.
- Local charities help to identify veteran recipients in each region.
