INSUR

*(that protects
your freedom, too)*

***With Progressive, you
can boat exactly how
and where you want***

We want you on the water actually enjoying your boat. That's why we make it as easy as possible to get insurance and stay protected almost anywhere you boat. At Progressive, we drop the common requirements other insurers may force on you, such as marine surveys, navigation plans, and travel restrictions.

- **More boating freedom:** Get Progressive Boat insurance, and you're automatically covered on all lakes and rivers in the U.S. and Canada, plus ocean waters within 75 miles of the coast. No questions asked.
- **We insure more than 1 million watercraft:** 35+ years of boat insurance experience. Over 1 million watercraft insured. It's safe to say we're one of the best boat insurance companies. Get a boat insurance quote and see why.
- **No marine survey required:** Some other boat insurance companies require a detailed inspection of your boat (which usually costs \$20 per each linear foot). For a 15-foot boat, this costs about \$300. At Progressive, that \$300 could pay for your entire boat insurance policy for THREE STRAIGHT YEARS. See all the discounts we offer to help you lower your boat insurance rate.

- **Welcome to the easiest place to get boat insurance:** Most of the time, all you need to do is get a boat insurance quote online, tell us a bit about your boat, and you're covered today. It should be that easy everywhere, but it's not.
- **No navigation plan required:** Other insurers may require you to submit a navigation plan that describes where you're boating. Yeah, it's kind of like how your parents used to ask where you were going every time you left the house. We're not your parents, and instead we give you the freedom to just get up and boat without telling us.
- **Accept more types of boats and sizes:** We insure bass boats, sailboats, pontoons, powerboats, and pretty much all other watercraft up to \$350k in value and 50-feet long. See the common types of boats and PWCs we insure and our coverage limitations. If you have a unique situation, just give us a call, and we'll do what we can to cover you.
- **Boat insurance coverage that's easy to get and easy to love:** The actual protection you get is a big reason why we're one of the leading boat insurance companies.
